Praying at home during the week:

Today we celebrate Rural Mission Sunday and we give thanks for our living and growing together in our village communities. In our prayer at home this week, we can give special thought to how we each contribute to making the places we live as places of welcome and celebration: a celebration of God's goodness and generosity, and a celebration of the gifts he gives to each of us to reach out with love to others.

Creator God, the natural world sings your praises. We see you reflected in every living thing. Give us eyes to see you in those around us and ears to hear your call. May we grow into the people you formed us to be, ready to share your love with those we meet. In Jesus' name. Amen.
