

The Youth Bus Project starts Monday January 13th in Eastgate Car park.

We have raised just over £6,000 which covers the rent of the bus and Youth worker for a 12 month period.

But we still need two more things.

More people to pray on Monday evenings around 7pm and more volunteers.

We need a minimum of 5 people really each night We have enough to open but if someone is off sick we could be stretched. if anyone is interested in volunteering they can contact me and/ or visit on a Monday and see what is entailed (a DBS will be necessary).
